# Anthony Rizzo

UI/UX Designer & Frontend Developer  
Belleville, New Jersey, United States

## Summary

Professionally trained by leading designers and entrepreneurs of the greater Philadelphia area. Self-educated in front-end web design and continuing education with senior designers and art directors of Schuler, Sadowski and Bloodgood Advertising as well as the entire communications and development teams from SPI Group.

I aspire each day to keep up-to-date culturally, meet new fellow designers, and perfect my creative direction abilities.

Specialties: Advertising, Branding, Graphic Design, Illustrator, InDesign, Quark, scoring, cutting, mounting, craftsmanship with detail-oriented, hands-on illustration

Code: HTML5, CSS3, PHP, ASP, Javascript, jQuery, Node, Git, Gulp, REACT, WebPack, WordPress, and SharePoint.

---

## Experience

### Haberdash Design

Creative Director

June 2009 - Present (13 years 11 months)

Keep styles, designs and concepts organized while executing fluid and effective campaigns for clients' print and web needs.

Clients: SPI Group, Zigarelli Chocolates, Wags n' Kisses Bakery, Sinisi Law Offices, GT Fitness Concepts, Signature Sports Market, Kidding Around Toys, Lackawanna Business Park, Westwood Family Chiropractic, ACE Money Picks, Lerman Sanders Realty, Violante & Son, and Joann Somers M.D.

### Homebridge Financial Services, Inc.

Web Developer

March 2022 - April 2023 (1 year 2 months)

Frontend development working with a team of developers and marketing administrators for various websites and projects within the company with a focus to improve the internal and external user experiences and interfaces from data-driven marketing research.

#### Robert Half

Frontend Developer

April 2021 - April 2023 (2 years 1 month)

Working with various agencies to enhance ongoing website projects with their clients and onboard to new assignments and build out projects from concept to creation. Adhere to deadlines and work with Robert Half and agencies to accommodate deadlines.

#### Arteric

Frontend Developer

May 2021 - February 2022 (10 months)

Assist in the daily development of websites and email marketing for an ongoing project consisting of three variations of a website. Helped the project managers and developers with various frontend tasks to apply revisions for each website. Quick onboarding with another project to build out a data-driven single page site to display the latest findings from the research.

#### The SPI Group

Frontend Developer

September 2012 - March 2021 (8 years 7 months)

Fairfield, New Jersey, United States

Assist the design and development team with executing website designs, front-end development, print collateral, marketing graphics, and creative services for a varied array of clients.

#### Schuler Sadowski & Bloodgood

Freelance Jr. Art Director

May 2009 - February 2013 (3 years 10 months)

Flanders, NJ

Pharmaceutical print and web freelance, implementing designs with art director, senior art director and creative director from concept to finish. Projects involve print booklets, web advertising, websites and trade show display graphics.

#### Vicinity Media Group

### Freelance Graphic Designer

May 2009 - May 2011 (2 years 1 month)

Assist in the production of advertisements and ad layout with the art director, design staff, publishers, writers and editors.

### North Jersey Media Group

#### Graphic Designer

April 2003 - January 2009 (5 years 10 months)

Started as an Ad Artist in the Montclair Times and eventually became Graphic Designer for advertising in northern Bergen county community papers. I received First Place, Special Section Advertisement 2004.

---
